

SCHOLARSHIP APPLICATION

Each year Youth Unlimited (YU) provides scholarships for students who cannot afford to pay the full program registration fee. We are again excited to be able to offer this opportunity for our summer experiences. This is a reality because of many generous young people who attended previous summer programs as well as donors who have a desire to see every student have an opportunity to attend.

To apply for a Youth Unlimited Student Scholarship, please note these important guidelines and steps.

For an applicant to be considered they must request funds from their church or youth group as well as contribute to the registration fee themselves.

Step One: Complete your SERVE registration online. Please do not pay your registration balance until you have heard from the Scholarship Committee.

Step Two: Complete this Scholarship Application.

Step Three: Have a reference complete the Youth Leader Reference section of this application.

Step Four: Have your reference mail or email the completed Scholarship Application. It must be received by April 1, 2020.
